Join the Greater Boston Jewish and Labor communities to celebrate our shared traditions and strengthen our work together at the 10th Annual Labor Seder and Fundraiser.

About

The Jewish tradition obligates us to relive the Exodus and liberation story of Passover in every generation. The labor Seder is a unique interfaith opportunity through which labor leaders, Jewish community leaders, and activists continue to build bridges...

We hope that you will join us at the table to learn more about current worker struggles right here in Greater Boston, find ways to get involved in meaningful campaigns for social justice, and rejoice with us in the ancient and joyful holiday of Passover.
